Dear Parent/ Carer

BUILDING WORKS 2015

I would like to advise parents and carers of our essential building works scheduled to take place this year. Buckinghamshire County Council's Property Services will be onsite from February Half Term to September replacing our Sports Hall roof and some classroom work where needed.

All work will be carried out under controlled conditions in accordance with risk assessments and method statements. There will be no disruption to any student timetables and no student will have access to the building areas.

It is good news that we will be having upgraded learning areas and hope you will have an opportunity to visit in the Autumn Term.

Yours sincerely

Miss Angela Wells
