Dear Parent/Carer,

GCSE English Literature Text – A Christmas Carol

Further to my previous letter, at the end of the last academic year, we have received a fantastic response to the offer of purchasing the GCSE set texts through school. As the first text we are going to be studying, 'A Christmas Carol' we have decided prioritise the purchase of the English Media Centre edition of 'A Christmas Carol' first. We received enough responses to offer you the price of £6.90 per copy.

Please keep a close eye out for a notification from ParentMail to say that the item has gone live and is available to purchase; we have the texts already on site so students will be given the text as soon as possible after the purchase is made.

We do have limited copies of the texts available to use in school but students will be unable to take them home for their own independent study. We have the electronic versions of the EMC Revision Guide and EMC Home Learning workbook that will directly reference the EMC text and it is our intention to use these resources for weekly home learning tasks. Therefore, it is imperative that students have their own copies of the texts, as they will be able to access the home learning and work independently on them.

If any parent feels they are unable to purchase the textbook and your child is in receipt of additional Pupil Premium funding please do not hesitate to contact me on the email below.

Yours faithfully,

Mrs S Merrick
