

26 September 2022

Dear Parent/Carer

Save the date – Thursday 29 September 2022

Year 11 Support in Exams

I wrote to you at the end of the school year with a timeline of how we will be supporting your child to ensure they have a successful Year 11. One of the key events on their journey will be on 29 September 2022 when we host a 'Supporting your Child in their Exams' evening.

The event will run from 18:00 to 19:30 in the Jubilee hall, and will include information on how to support your child through Year 11. The evening will consist of the following presentations:

- Mr Wardle Deputy Headteacher - Year 11 timeline, what to expect and additional opportunities for students.
- Mrs Devlin Head of Year 11 - The importance of attendance and advice on the pastoral support available.
- Miss Townes (Blended Learning Coordinator) - The use of technology to support learning.

Curriculum Leaders from English, Maths and Science will be available on the evening to provide information on the core subject areas, in addition to this there will be the opportunity to purchase revision guides from the School for each subject. These will also be available to purchase shortly on ParentMail.

The event is designed to ensure the school and families are all working together to provide the students with the best platform to make Year 11 a successful one.

We look forward to seeing you on the evening.

Yours faithfully,

Mr Matt Wardle

Deputy Headteacher
Teaching and Learning
