Dear Parent/Carer

## School Email Account

Due to an ongoing technical issue, there has been a delay in issuing students with their email account details which temporarily prevents them from accessing the Google Classroom.

Please be reassured that the issue has been identified, and we are working hard to resolve this.

In the meantime, work will not be set or shared via the Google Classroom, however we look forward to resolving this issue quickly, and sharing information with our students in due course.

Thank you for your ongoing support.

Yours faithfully,

**Ms Lacey Townes**
