Dear Families,

School Life Survey

I am writing to you on behalf of our whole school community to invite you and your family to complete a survey regarding various aspects of school life.

Our families are an integral part of the school's success and therefore your views and experiences are important to us. As a school, we are exploring many avenues to get feedback from our stakeholders, including this survey, focus groups of students in school, and with families, as a result of this survey. The information will then be used to help shape the school's growth and development moving forwards.

The survey is likely to take around 10-20 minutes so, please make yourself a drink, put your feet up and become a part of our community and school improvement.

The survey can be found here: <https://forms.gle/RoRXbXUsLzb1RCNE9>

Should you have any issues or questions, please do not hesitate to contact me.

Yours faithfully,

Rebecca Branson

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamsschool.org if you wish to seek assistance, or obtain more information about Pupil Premium funding.
