Dear Year 11 Student,

Sixth Form Subjects

We are pleased to confirm the subjects on offer in Sixth Form this September (below). We are thrilled to offer the following new subjects: Physics, French, Spanish, A level PE and Film.

We have advised all along that the blocks and subjects on offer in Sixth Form are confirmed according to the career needs and wants of the Year 11 students who apply to Sixth Form. Inevitably, there will be a few students who will change their subject choices when they receive their GCSE results. We have tried our hardest not to disappoint any students. If there is a clash in subjects you wish to study, please speak with me as soon as your exams are over and we will work together to resolve any clashes as far as possible.

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org if you wish to seek assistance, or obtain more information about Pupil Premium funding.
