Dear Parent/Carer,

Level 3 BTEC Business Studies Examination - May 19th 2022

As you may already know, there is a Level 3 BTEC Business Studies examination on May 19th at 9am. This is a key component of the course and makes a significant contribution to the final grade.

The content for this examination can be found on pages 49 – 54 of this specification:

https://qualifications.pearson.com/content/dam/pdf/BTEC-Nationals/Business/2016/specification-and-sample-assessments/BTECNationals_Bus_ExDip_Spec.pdf

We would be expecting students to be completing a minimum of an hour a day revision outside of school hours at the moment and this should be increasing to 2 hours a day as we get nearer the exam. There are many different revision strategies available and different ones suit different students. This guide has some very useful techniques for revision and some advice on motivation:

In addition, when students are revising it is imperative that they have no distractions such as phones near them.

To support the students, we are offering interventions every morning and lessons are focused on the specific areas that their recent mock examination highlighted.

If you have any questions about the examination, please contact the Business Studies team – Miss C Shanahan (cshanahan@buckinghamschool.org) or Mr J Ryan (jryan@buckinghamschool.org).

Kind regards

Clodagh Shanahan

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
