Dear Parent / Carer

With the rise of the Omicron variant of Covid-19, I wanted to take this opportunity to reiterate our pledge to ensure we provide quality remote learning, during times that students are unable to attend school, due to illness or isolation.

Staff members will continue to set work via the Google Classrooms, which will mirror the work that students are studying at school. All students can use their school ID to log into their Google Account and they have been automatically enrolled into all Google Classrooms. Staff will ensure that Google Classrooms are updated with any relevant resources used in class that day. This may include powerpoint presentations, videos, documents, worksheets or links to websites.

In addition to the work on the Google Classrooms, attached is an additional resource sheet we have created for remote learning should students finish all work on Classrooms or for whatever reason there is no work given, for example, if teachers are unfortunately absent.

May I also take this opportunity to remind you to continue to test for Covid-19 twice a week using Lateral Flow devices and record your results both on the government website and via our Google form <https://forms.gle/aM2BjSNbK31Q1piG9>

We look forward to welcoming students back on Thursday 6<sup>th</sup> January 2022.

Yours faithfully

Mr J Dunckley

*The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to [finance@buckinghamsschool.org](mailto:finance@buckinghamsschool.org), if you wish to seek assistance, or obtain more information about Pupil Premium funding.*
