Dear Parent / Carer

Year 11 Revision Support

Yesterday, the focus of our Year 11 assembly was the importance of planning and revision; a message that has been delivered throughout the year, but even more relevant with their upcoming Mock Exams, which will commence on the first day back after half term.

Today during their tutorial, students would have been preparing their revision timetables. I am sure that many of our students have already started their planning, but to support them, I have shared with them all a template they can use, to create their own study sessions. This has been uploaded into their Tutor Group Google Classroom.

Students have plenty of revision materials to access from staff, but if students had planned to speak with staff in school today, please reassure them that most will still be contactable via email.

I have been made aware that some students wanted to collect work from school to support revision. We are currently working on providing an allocated time next week for Year 11 students to gather any work needed. We will communicate about this as soon as we can.

I want to take this opportunity to congratulate Year 11 on their fantastic efforts so far this year. They really are a superb Year Group!

I wish you a happy half term!

Yours faithfully

Miss Clare Checkley

Head of Year 11

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
