Donations For Ukraine

Dear Parent / Carer,

We would like to say a huge thank you for the amazing generosity of our community - we have already received an overwhelming amount donations and the request only went out on Wednesday!

We have been asked that we take no further donations of clothing or bedding but items from the list below are still very much welcome:

- Painkillers (adult/child)
- Medical supplies (bandages, plasters, antiseptic etc)
- Nappies/wipes
- Feminine hygiene products
- Baby milk
- Dioralyte sachets (or similar)
- Sterilising tabs
- Water purification tabs
- Candles
- Multivitamins
- Canned / Non-perishable foods

Thank you again for your fantastic show of support.

With our best wishes,

The Buckingham School
