Dear Parent / Carer

YEAR 11 AQA GCSE (9-1) PHYSICAL EDUCATION STUDENT REVISION DAY TUESDAY 5TH APRIL 2022

It is with great pleasure that The Buckingham School PE Department has managed to secure a Keynote Speaker for a revision day in preparation for their AQA GCSE PE summer exams.

This revision day is a fantastic opportunity for our students to enhance their knowledge of the AQA GCSE PE course. All of these elements link to the GCSE PE specification and will support students in their learning and understanding of each topic area. The day aims to provide students with the opportunity to explore and embed what their GCSE PE teachers have taught them over the last 3 academic years. Students will investigate and explore the confirmed topic areas for their Paper 1 and 2 summer exams, as well as uncover creative ways to remember information, gain key tips for answering questions and work on unseen exemplar exam questions.

The day will cover the following topics:

Paper 1: Anatomy & Physiology

- The different question types
- Ways to remember the main factors, exam tips and interactive questioning

Paper 1: Movement Analysis

- Ways to remember the theoretical principles
- Applying your knowledge to sporting examples

Paper 1: Physical Training

- Revision of the main concepts
- Interactive resources to facilitate revision

Paper 2: Sports Psychology

- The key terms and concepts covered in depth
- Approaching the extended questions with examples

Paper 2: Socio-cultural Influences

- Applying the factors that affect engagement
- Approaching all question types and key concepts

Paper 2: Health, Fitness and Wellbeing

- Energy, nutrition and water
- Facilitating extended question thinking

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamsschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.

As you can see, the day is full of all the crucial information that the students require for their GCSE exams. More information about the revision day will be explained to the students before the day takes place. The students will also be given a resource pack to take home with them, which is included in the overall price.

The cost of this Keynote revision day is £35 which is to be paid via ParentMail by Friday 25th March 2022. You will shortly receive a notification to advise that the payment item has been generated in ParentMail.

Should you have any issues accessing this site, please email Mrs Newall on gnewall@buckinghamschool.org.

Pupils will need to bring a packed lunch with them as the timings of the school day will not match the timings of the Keynote presentation.

If you have any questions at all, please do not hesitate to contact us using the contact details below. We hope your child grasps this amazing opportunity to stand the best possible chance of excelling in their GCSE PE exams!

Yours faithfully
