

Success for all through Achievement, Challenge and Enjoyment

# Enrichment Week Activities

## 11 - 15 July 2022

Enrichment Week 2022

Dear Parents and Carers,

We are delighted to enclose the activities booklet for Enrichment Week (11<sup>th</sup> – 15<sup>th</sup> July 2022).

The event ran with great success in Summer 2019 but, sadly, was cancelled in 2020. It is so exciting to think that it will run this year!

We want all students to enjoy these fantastic opportunities and we are proud to offer so many low and zero cost activities. We are able to offer some financial support with regard to the contribution towards the cost of activities, for students in receipt of Pupil Premium. If this is the case, please indicate your request for such support on the Google Form. Further, we recognise that there are other families for whom the current climate is financially challenging – please indicate a request for support on the Google Form. Please note that funds for support are limited.

If we are not in receipt of enough parental contributions to cover the cost of the activities on offer during the week, we may need to reconsider the range of activities on offer. Given the timing of Enrichment Week, we are optimistic that events will not be restricted by Covid-19 measures, nor by the levels of staff absence that all schools are currently coping with.

When activities are over-subscribed, we will try and extend the number of places available. If we cannot create enough spaces to cater for demand, names will be drawn out of a hat. Where students cannot be allocated their first choice activity, we will try to offer them their second or, if necessary, third choice.

All activity selections will need to be made on the Google Form by Friday 18<sup>th</sup> February 2022 and you will be notified of your confirmed choices by Friday 1<sup>st</sup> April 2022. You will be able to make your contribution for each activity (if required) via ParentMail from this same date (1<sup>st</sup> April) and we ask that all contributions are made by 29<sup>th</sup> April 2022.

Please note that the school's normal behaviour expectations will apply during the week, and we will be informing you of how the Behaviour Policy will be applied in advance of the week. Further, the usual standards will be expected of non-uniform dress.

Enjoy reading the booklet with your child!

Best wishes,

The Buckingham School Enrichment Team

Activity Title	The Great Outdoors
Description of Activity	<p>Day 1 - Walk to Stowe: We will spend the morning making sandwiches and preparing a yummy picnic of savoury and sweet bits. We will all take our homemade picnic up to Stowe and also have a walk around. We will also treat everyone to an ice cream!</p> <p>Day 2 - Cotswold Country Park inc Aquaventure: A fun day out where we can walk around the lake, paddle in the water at the beach. Cost includes the Aquaventure for an hour and hire of a "shortie" wetsuit. There is also an option to play mini golf, which you can pay for on the day. Please dress accordingly for a day at the beach; bring a towel, plenty of water and sunscreen. Don't forget your bucket and spade!</p>
