18 November 2021

Dear Parent / Carer

Gaia Innovation Careers Session Friday 26th November 2021

I am writing to inform you that on Friday 26th November, our Year 9 students will be taking part in an hour long careers session hosted by Gaia Innovation.

The aim of the session is for business leaders in the automotive industry to share their experiences of applying for jobs and the skills employers are looking for, particularly in school leavers. By the end of the session, students will be more aware of local, regional and national opportunities available to them when they complete their formal education, as well as the soft/transferable skills needed to be successful in the workplace.

Guest speakers from Gaia Innovation will be delivering the session via Zoom during Period 2 on Friday 26th November during normal timetabled lesson. Students will attend their usual timetabled Maths or Science lesson at this time and will join the speakers online in the classroom.

Gaia Innovation has given The Buckingham School many opportunities to further develop and enhance the careers provision at the school. In previous years, Gaia Innovation have offered students the opportunity to work as shadow employees, visit Silverstone Park to tour many of the companies based there and to receive visitors to the School from Silverstone Business Park to work with our students. To find out more about Gaia Innovation, please click on the link below.

Should you have any questions regarding this, please do not hesitate to contact me.

Yours faithfully

Mrs A Simmons
Curriculum Leader Psychology and Health and Social Care
asimmons@buckinghamschool.org

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
